**CONCLUSION**

There are not huge crowds lined up to follow the narrow way. In fact, the Word of God tells us that only a few will find it. The narrow way consists of rules that keep us from suffering the consequences of sin. Too often we tread into danger zones, leading us into sin. But there is a way back home. Because of the blood of Jesus, we can ask for repentance and receive forgiveness for straying, and God will welcome us home again with open arms. Thank God for Jesus, for if we were under the consequences of the law, then we all would die a long time ago. However, because of His grace and mercy, He becomes a God of 2nd chances.
